Supplier Statement

Item: Filter unit series LF64/68
Topic: Fire and Smoke Compliance to EN 45545-2

To all concerned,

We hereby declare the fire and smoke compliance of our pneumatic filter ranges LF64 & 68 according to EN45545-2 and fulfilment of hazard levels (HL) 1, 2 and 3.

Note: Pneumatic fittings and tubing compliant to EN45545-2 are to be used with this product to assure fire integrity to chapter 5.3.6 of this standard.

Yours faithfully,

Modřice, 14.9.2016

Oto Zatloukal
Technical Director EE Region

Jiří Urban
Quality Manager
