## Supplier Statement

**Item:** Filter unit series LF07  
**Topic:** Fire and Smoke Compliance to EN 45545-2

To all concerned,

We hereby declare the fire and smoke compliance of our pneumatic filter range LF07, according to EN45545-2 and fulfilment of hazard levels (HL) 1, 2 and 3.

The following part numbers apply to this declaration:

LF07-100-M3MG  
LF07-200-M3MG  
LF07-100-M1MG  
LF07-200-M1MG

Note: Pneumatic fittings and tubing compliant to EN45545-2 are to be used with this product to assure fire integrity to chapter 5.3.6 of this standard.

Yours faithfully,

Rob Robertson  
Design Engineering Manager
