## GET A GRIP!

5 easy steps to get your PGS10 part number

### STEP 1

Visit our website, [www.norgren.com/automationsolutions/PGS](http://www.norgren.com/automationsolutions/PGS)

### STEP 2

Select PGS size based on size and grip force requirements: PGS 10, 11, 20 or 42

### STEP 3

Use the drop down menu to select the specifications you need for your gripper CAD, such as jaw angles, pad type, sensor type or port orientation.

### STEP 4

Enter your email address and click the box to "Accept license agreement".

### STEP 5

Click **CAD download** button to generate your part number and CAD drawing in your preferred file format.

New PGS 10 Catalog

## Order your FREE Catalog

Simply add the PGS10 catalog part number **15559SP** to your Purchase Order and specify desired quantity
