Model: Type APV’s & AOV’s

Manufactured By: IMI Precision Engineering
Thompson Valves, 17 Balena Close, Creekmoor, Poole, Dorset, BH17 7EF, United Kingdom

are hereby declared in conformity with the following directives:

The ATEX Directive 2014/34/EU

ATEX marking Codes: II 2 G D c IIC T4

Compliance with the ATEX Essential Health and Safety Requirements has been assessed by reference to the following standards:

BS EN 13463-1:2009 Non-electrical equipment for potentially explosive atmospheres – Part 1: method and requirements
BS EN 13463-5:2011 Non-electrical equipment for potentially explosive atmospheres – Part 5: Protection by constructional safety

Conformity has been demonstrated with reference to the following documentation:

Assessment Report ER0689
Dossier Receipt Number Baseefa03ATEX0369DR
Name and Address of the Notified Body: SGS Baseefa Ltd.
Rockhead Business Park, Staden Lane, Buxton, SK17 9RZ
Notified Body Identification Number: 1180

Note:–

✦ In cases where valve port size is ≤1” - CE marking as per 2014/68/EU (PED) does not apply, as the product is covered under article 4.3. General pressure safety compliance is achieved by Sound Engineering Practice.
✦ In cases where valve port size is >1” - Conformity to 2014/68/EU (PED) is covered by a separate PED EU Declaration of Conformity or Sound Engineering Practice.
✦ Thompson Valves declare that when using FKM and NBR seat/seals this valve can be operated with dry non-acid natural gas media.

This declaration of conformity is issued under the sole responsibility of the Manufacturer

Signed for and on Behalf of:

Responsible Person: Mr D Horsfield
Position: Technical Director
Date: 2nd September 2016
Place of Issue: Thompson Valves, 17 Balena Close, Poole, Dorset, BH17 7EF, United Kingdom

Remarks: The declaration will expire upon any modifications made to the above product.
For Obligations of Importers, Distributors and Year of Construction, please refer to sheet 2 of this declaration.

If sheet 2 is not included, contact us at sales@thompson-valves.com for assistance.
IMPORTERS Declaration of Conformity

The ATEX Directive 2014/34/EU  Obligations of Importers in Accordance to Article 8

It is the responsibility of the Importer to ensure that they comply with the Obligations of Importers as stated in Article 8 of the 2014/34/EU Directive.

Failure of the Importer to comply with the directive will be the responsibility of the Importer, and is not the responsibility of the manufacturer.

The Importer declares that the product and its derivatives comply with the 2014/34/EU Directive.

The Importer has marked the product (or its packaging) in accordance with their obligations and requirements of the 2014/34/EU Directive.

Obligations Of DISTRIBUTORS

The ATEX Directive 2014/34/EU  Obligations of Distributors in Accordance to Article 9

It is the responsibility of the Distributor to ensure that they comply with the obligations of Distributors as stated in Article 9 of the 2014/34/EU Directive.

Failure of the Distributor to comply with the directive will be the responsibility of the Distributor, and is not the responsibility of the manufacturer.

The Distributor is to retain copies of the documentation in accordance with the obligations and requirements of the 2014/34/EU Directive.

Year of Construction

The ATEX Directive 2014/34/EU  Annex II, Paragraph 1.0.5 – Year Of Construction

The Year of Construction can be identified by the manufacturer from the serial number.

To Identify the Year of Construction from the serial number, please contact sales@thompson-valves.com or call our Customer Service department on +44 (0) 1202 647820 for assistance.
