

EU- (EC-) declaration of conformity

We hereby declare under our sole responsibility that the valve solenoid series:

- ➔ 8268
as well as the variations

have been subjected to the following procedure for assessing conformity:

Harmonised standards applied

- ➔ IEC 60730-1 – Automatic electrical controls for household and similar use
- ➔ IEC 60204-1 – Safety of machinery. Electrical equipment of machines
- ➔ DIN VDE 0580 (Edition 11/2011) – Electromagnetic devices and components – General specifications (only German version)

Other applicable directives

- ➔ 2014/35/EU (2006/95/EC) – Low voltage
- ➔ 2011/65/UE – Directive on the restriction of the use of certain hazardous substances in electrical and electronic equipments (RoHS)
- ➔ EC N°1907/2006 – Regulation concerning the registration, evaluation, authorization and restriction of chemicals (REACH)

Note on EU guideline

The solenoids shall be provided with an electrical circuit, which ensures the limits of the harmonised standards EN 61000-6-3 and EN 61000-6-2 are observed, and hence the requirements of the electromagnetic compatibility guideline 2014/30/EU (2004/108/EC) satisfied.

The CE-marking is related to this EU-requirements.
