

EU- (EC-) declaration of conformity

We hereby declare under our sole responsibility that

- ➔ the valve solenoid series
8000, 8170, 8300, 8400, 9100, 9150, 9300, 9400, 9500
as well as the variations (marked by the last 2 digits)

have been subjected to the following procedure for assessing conformity:

Harmonised standards applied

- ➔ DIN VDE 0580:2011 – Electromagnetic devices and components
(only German version)

Other applicable directives

- ➔ 2014/30/EU (2004/108/EC) – Electromagnetic compatibility
- ➔ 2014/35/EU (2006/95/EC) – Low voltage (from 75 V DC or 50 V AC)

Note on EU guidelines

The solenoids shall be provided with an electrical circuit, which ensures the limits of the harmonised standards EN 61000-6-3 and EN 61000-6-2 are observed, and hence the requirements of the electromagnetic compatibility guideline 2014/30/EU (2004/108/EC) satisfied.

The CE-marking is related to this EU-requirements.
