

## EU-declaration of conformity

### to directive 2014/68/EU

We hereby declare under our sole responsibility that the

- ➔ pressure regulators of the J125-series and the article numbers 891xxxx and special designs 899xxxx derived from these

to which this declaration relates are in conformity with directive 2014/68/EU and have been subjected to the following procedure for assessing:

- ➔ Comprehensive Quality Assurance (Module H)

### Harmonised standards applied:

- ➔ EN 334 – Gas pressure regulators for inlet pressures up to 100 bar

### Other applicable directives

- ➔ –

### Note

Pressure regulators  $\leq$  DN 25 are in conformity with the pressure equipment directive 2014/68/EU, clause 4, para 3, and do not bear the CE marking. Pressure regulators  $>$  DN 25 relate to category I of the pressure equipment directive 2014/68/EU and are labelled with a CE marking. Monitoring is carried out by the specified body with identification No 0045 (TÜV Nord). The application limits for the pressure device are stated on the type plate and in the associated operating instructions.
