

# Letter of Attestation

## 2014/34/EU/ATEX

### 1. Products

Super-X Manual Mechanical Valves

### 2. Manufacturer

IMI Precision Engineering Ltd, Blenheim Way,  
Fradley Park, Lichfield. UK. WS13 8SY

**3. We declare that this declaration of conformity is issued under the sole responsibility of the above manufacturer**

### 4. Object of the declaration

Super-X Manual Mechanical Valves

**5. The object of the declaration described above is in conformity with the relevant Union harmonisation legislation(s)**

2014/34/EU Equipment and protective systems intended for use in potentially explosive atmospheres

**6. The following harmonised standards and technical specifications have been applied**

EN 60079-0:2012 Explosive atmospheres. Equipment. General requirements

EN 60079-15:2010 Explosive atmospheres. Equipment protection by type of protection "n"

### 7. Notified body (where applicable)

N/A

### 8. Additional information

IMI Precision Engineering certifies that the above product is suitable for use in potentially explosive atmospheres of Zone 1 and 2 (gases), as well as 21 and 22 (dusts), provided the product is used within its specification.

The product, as a non-electrical apparatus, is not marked additionally as it does not contain its own potential ignition source; and does not comply under the ATEX directive 2014/34/EU.

Maximum surface temperature of the product depends on the fluid temperature and the ambient temperature, and must be below the ignition temperature of the explosive atmosphere.

The product must be installed in such way that it will not be electrically isolated, and as such a conductive contact for grounding must be provided, e.g. by fastening means.
